

Agreement & Disclosure

PAYMENT: Once an order is placed a 30% non refundable deposit is required before we begin digging and gathering your order. Final payment is due upon pick-up or delivery. Check is required upon arrival. In the event of nonpayment, an additional 5% interest fee will be added to the amount on the invoice for each 24 hours of nonpayment. Estimate is valid for 30 days.

DELIVERY: Upon delivery, the customer is responsible for unloading their trees. We highly recommend using a machine with forks to unload your trees. The smallest trees will weigh about 450 pounds and are dangerous to lift by hand. We are not responsible for any accidents.

Customers will have 1 hour to unload their trees. A fee of \$50 per hour will be applied beyond the allotted time. It is always recommended to plant trees as soon as possible after delivery.

Our triple axle trailer has the capacity to carry 42 two-to-three-inch trees on one load. Larger trees have a bigger root ball so the capacity per trailer diminishes as the size of the tree increases. Six-inch trees can weigh close to 3,000 pounds. We can deliver between six and eight 6-inch trees at one time.

The delivery fee is \$300 within 30 miles of the farm. Delivery costs outside of 30 miles is available upon request. The tree farm address is 500 Tree Farm Road, Garvin, OK 74736.

We can bring a mini skid steer and unload trees for the customer but must be discussed 48 hours before delivery. There will be an additional \$500 charge. It takes us about 30 minutes to unload a full trailer. To bring the mini skid steer we must bring our 42-tree capacity down to 35 to account for the weight of the machine. Minimum order to qualify for delivery is 10 trees.

We are happy to provide you with a revised quote if you need delivery or need help unloading your trees.

GUARANTEE: We have top-quality trees and guarantee to provide you with healthy trees. There is no warranty on the trees once picked up or delivered as it is the customers responsibility to take care of their new trees. We will provide customers with a watering guide on how to take care of your new trees upon request. Pictures can also be provided upon request.

POLICIES: We require a 24-hour notice on all pick-up orders and a 48-hour notice for deliveries. Appointments to tag trees must be made 24 hours in advance. A tree can be rejected prior to offloading. The customer is still responsible for the delivery fee and the non refundable deposit unless the rejection is due to a health defect confirmed by a certified arborist.
